We are proud to be part of
the world's largest international
community of schools.

Parents :

Research shows that students who read over the summer continue to develop and maintain their reading skills. Therefore, KPMS has a Summer Reading Program which requires each student to at least one book over the summer and to complete an activity for each book read. Students in the advanced, gifted, or Cambridge classes are expected to read two books and complete a reading activity for each. These activities are due to their language arts teachers at the beginning of the 2023 school year.

Books titles can be found on the district's website,

<https://read.dadeschools.net/#!/fullWidth/4312>

Additionally, sixth and seventh grade students who were in intensive reading classes, received a novel which they can use to meet this requirement.

"The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you'll go."
-Dr. Seuss
